

Work Space Dividers

Tranquility that embraces.

deblick

The peace to hear yourself think

Workspace Dividers are partly secluded workstations for large open spaces. But what if dividers could be moved around easily to bring enclosure and privacy? If they would make you feel protected and bring a place at ease? The minimalist design of our Standing Dividers provide calmth and unity. Filled with all natural sheep wool that absorbs distracting work and discussion sounds. Let yourself be embraced by tranquility and enjoy the peace to hear yourself think.

The divine details

Fire retardancy

Wool is naturally fire retardant. For the combustion of wool, 25,2% oxygen is needed. The air we breathe contains only 21% oxygen on average, which makes the material flame extinguishing. The flash point of wool can only be achieved at a temperature of circa 580°C.

Frame

50mm thick, recycled aluminium profile in accordance with EN-486. Standard colours RAL9010, 9016, 9005 – please contact us for special requests.

Filling

50mm sheep's wool 4500 gr/m². Sheep's wool is a natural product with many valuable properties. The sum of its properties make it one of the best raw materials for a healthy indoor climate.

Upholstery

A list of fabric colours is included in the Material List – please contact us for special requests. Createx printed upholstery (picture, corporate identity): DIN EN 13501-1.

Sound absorption

Sound absorption coefficient α_w 1,00 on one side (NEN-EN-ISO 354) .
