Cube Board

Designed for **sharing ideas**

Cube Board creates a dedicated place for presentations, brainstorming and collaborative sessions. Acoustic comfort, fresh air circulation and integrated lighting help teams communicate clearly and turn ideas into action.

Designed as part of the interior
Cube Board integrates seamlessly into the architecture and interior, enhancing the workspace both visually and acoustically.

Optimised for presentations
Designed for workshops, presentations and interactive meetings, Cube Board provides the space and functionality teams need to collaborate effectively.

Part of the overall workspace
Cube Board creates dedicated presentation spaces while supporting collaboration and knowledge sharing throughout the workplace.
