Cube Chat Talk

Designed for **spontaneous collaboration**

Cube Chat Talk creates a comfortable place for informal meetings, catch-ups and one-to-one conversations. Acoustic comfort, fresh air circulation and integrated lighting support productive collaboration within the open workplace.

Designed as part of the interior
Cube Chat Talk integrates seamlessly into the architecture and interior, enhancing the workspace both visually and acoustically.

Optimised for informal meetings
Designed for short meetings, catch-ups and creative discussions, Cube Chat Talk offers a welcoming environment where ideas can be shared freely.

Part of the overall workspace
By providing dedicated collaboration spaces, Cube Chat Talk reduces distractions while supporting interaction, creativity and teamwork.
