Cube Sit Focus

Designed for **comfortable focus**

Cube Sit Focus creates a quiet and comfortable place for reading, thinking and individual work. Acoustic comfort, fresh air circulation and integrated lighting create a relaxed environment that supports concentration throughout the day.

Designed as part of the interior
Cube Sit Focus integrates seamlessly into the architecture and interior, enhancing the workspace both visually and acoustically.

Optimised for focused comfort
Designed for reading, laptop work and quiet moments, Cube Sit Focus combines comfort and privacy to help people recharge and stay productive.

Part of the overall workspace
Cube Sit Focus reduces distractions while supporting a healthy balance between collaboration and individual work.
