Cube Work Talk

Designed for **productive work**

Cube Work creates a dedicated workspace for focused tasks, video meetings and extended work sessions. Acoustic comfort, fresh air circulation and integrated lighting provide everything needed for productive working throughout the day.

Designed as part of the interior
Cube Work integrates seamlessly into the architecture and interior, enhancing the workspace both visually and acoustically.

Optimised for informal meetings
Designed for short meetings, catch-ups and creative discussions, Cube Work Classic offers a welcoming environment where ideas can be shared freely.

Part of the overall workspace
By creating dedicated workspaces, Cube Work reduces distractions and supports a healthy balance between collaboration and concentration.
